

# 2018 SOUTH BRUNSWICK HIGH SCHOOL ROTARY COUGAR CLASSIC GOLF TOURNAMENT

Dear Brunswick County Community Member,

On Saturday, November 17, South Brunswick High School and the Southport Rotary Evening Club will host the “Rotary Cougar Classic” Golf Tournament, which will benefit the Student-Athletes of our Men’s and Women’s Basketball and Golf teams of South Brunswick High School. Our students work very hard to juggle the rigors of their academic studies and the self-discipline of participating in our many athletic programs, often while working part-time jobs and maintaining responsibilities at home. The tournament will also benefit the “Building Better Futures” campaign of the Southport Rotary Evening Club which focuses on assisting students in the Southport/Oak Island/BSL area through donations and mentoring.

The bearer of this letter is either a teacher, student-athlete, or Rotarian, who has visited you today to solicit donations for our upcoming benefit tournament.

Among the various ways that you can support our student athletes, in addition to playing in the tournament, are hole sponsorships, and/or donating prizes to be used as door prizes at the tournament.

- \$100 hole sponsorship with your name
- \$400 hole sponsorship with your name plus team entry
- You may also be able to make a prize donation to be used as a door prize at the tournament.

Any gift, be it in monetary, gift certificate, or merchandise form, is tax-deductible. The tax exempt code for Brunswick County Schools is **56-6000993**. **Sponsorship and Registration can also be done at [www.rotarycougarclassic.com](http://www.rotarycougarclassic.com)**

We at South Brunswick High School and Southport Rotary Evening Club are keenly aware that you must receive numerous solicitations annually for donations to worthy causes. That being said, we are exceedingly grateful that you have considered a sponsorship or donation that will benefit our South Brunswick High School student-athletes.
